

Beauty by the Bay Skin and Laser Gift Voucher Policy

1. Gift vouchers can be purchased through our website, in store or over the phone. Our gift vouchers need to be paid in full prior to redemption.
2. Gift vouchers can be for a dollar value or the value of a service at that given time.
3. Gift vouchers are valid for 3 yrs from the date of purchase. After this date the gift vouchers are no longer valid, we can extend the expiry date at our discretion.
4. Gift vouchers can not be exchanged for cash, they can be swapped out against a service or product to the same \$ value.
5. Change (cash) will not be given if the service/product your gift voucher is redeemed against is of lesser value than the gift voucher. We will create a credit on your voucher to be used another time.
6. Gift vouchers can be transferred to another person with permission from either the recipient or the purchaser.
